Very Urgent.
No.5269-1/48 EC.d/30-4-1948.

Office of the Sanitary Engineer to Govt.,
Triplicane, Madras.

From: Sri S. Ramchandra, B.E., etc.,
Chartered Civil Engineer, Sanitary Engineer to Govt.,
To
The Secretary to Govt.,
Education and P.H. Dept.,
Madras.

Sir,

Sub: Establishment -.All India Institute of Hygiene & Public Health, Calcutta - Master of Engineering (Public Health) Course - Deputation of Candidates- Orders passed -
Ref: G.O.No.1310 P.H. d/22-4-1948.

In G.O.No.1310 P.H. d/22-4-1948 Government have sanctioned the deputation at their cost of five Municipal Engineers to undergo the course for the Degree in Master of Engineering (Public Health) of the Calcutta University to be held by the All India Institute of Hygiene and Public Health in June 1948.

2. The period of training of these Municipal Engineers has been ordered to be treated as duty and they have also been permitted to draw their usual pay and allowances. Further they will have to be paid their usual T.A. for their journeys to and from Calcutta. In the circumstances urgent arrangements have to be made to draw necessary amounts towards the advance, of T.A. and Pay to these Municipal Engineers, if they require, so as to enable them to undertake the journey to Calcutta and be there in time before 22nd June 1948, when the session opens. Besides this the necessary fees due to the Institute in respect of these Engineers towards caution money, University Examination fees etc. as sanctioned in para 2(2) of the G.O. cited above have also to be drawn and remitted to the Director of the Institute, immediately. To enable me to take further -action in the matter and also for drawing the pay and allowances of these Municipal Engineers regularly, every month and remitting it to them till the course is over, I request that clear orders as to the Head of Account from -which the amount has to be drawn and also by whom it should be done, may kindly be issued. To simplify matters it seems desirable that these Municipal Engineers be attached to this office from date of relief from the various Municipalities, and that the expenditure on their pay, fees, allowances &c. are debited to my head of account viz. 39 Public Health, the additional funds required for the purpose in the 1948-49 budget being reallotted.

3. As the Municipal Engineers have to be relieved sufficiently early say on or before 24th May 1948, so as to enable them to be ready at Calcutta on the opening day of the session viz. 2nd June 1948, and as arrangements have also to be made to draw the necessary amount for the purposes mentioned in para 2 above, I request immediate orders may kindly be issued in the matter. Necessary instructions may also be issued to the Accountant-General in the matter.

Ramachandra,
(Sd.)xxxxxxxxxxxxx
Sanitary Engineer to Govt

G.O.(Ms.)No.1523, Public Health D/7-5-1948.

ABSTRACT.

Establishment - All India Institute of Hygiene & Public Health, Calcutta - Master of Engineering(P.H.) Course - Deputation of municipal engineers -Debit of expenditure to the Sanitary Engineer's account -Ordered -

---

READ:-

G.O.1310, Public Health dated 22-4-1948.
From the Sanitary Engineer, No.5269-1/48 dated 30-4-'48.

O R D E R:

In the circumstances stated by the Sanitary Engineer, the Government approve his proposal that the five municipal engineers selected in the G.O. read above to undergo the Master of Engineering(Public Health) Course at the All India Institute of Hygiene and Public Health, Calcutta, be attached to his office from the date of relief from the various municipalities and that the expenditure on their pay, fees, allowances, etc. be debited to the head of account under "39 a. Public Health Establishment - C. Sanitary and Deputy Sanitary Engineers"

The Accountant-General is requested to admit the expenditure in audit, pending provision of funds.

(By Order of His Excellency the Governor)
